

## PUBLIC NOTICE

**PERMIT APPLICATION NUMBER:** NRS 08.142

**APPLICANT:** WDW, LLC  
P.O. Box 9905  
Chattanooga, Tennessee 37412  
423-593-8181

This public notice is being published to inform the public of a mitigation project being proposed by the applicant to provide compensatory mitigation for the impact of approximately 0.25 acres of wetland located along Wolftever Creek and the east side of Little Debbie Parkway in Ooltewah, Tennessee.

**LOCATION:** The proposed alterations occurred along Wolftever Creek and the east side of Little Debbie Parkway, just before the bridge over Wolftever Creek. (Lat: 35.08302°, Long: -85.06596°)

**WATERSHED DESCRIPTION:** The aquatic resource proposed to be altered is within the Lower Tennessee River Watershed (HUC 06020001). The resource is a wetland area, approximately 0.25 acres, running along Wolftever Creek on the east side of Little Debbie Parkway. The Lower Tennessee River Watershed and Wolftever Creek have been classified for the following designated uses: fish and aquatic life, irrigation, livestock watering and wildlife, and recreation.

**PROJECT DESCRIPTION:** The applicant had previously filled this wetland area for the development of the Little Debbie Medical Office. After a June 2007 site inspection by the division and further investigation, the applicant proposes to provide compensatory mitigation for this impact. The mitigation will consist of creating approximately 1 acre of wetland at a mitigation site located at the Woodland Park Baptist Church

**PERMIT COORDINATOR:** Chip Hannah

**USGS TOPOGRAPHIC QUADRANGLE:** Ooltewah, TN Quadrangle 112 – SE

No decision has been made whether to issue or deny this permit. The purpose of this notice is to inform interested parties of this permit application and to ask for comments and information necessary to determine possible impacts to water quality. Persons wishing to comment on the proposal are invited to submit written comments to the department. **Written comments must be received within THIRTY (30) DAYS of the date that this notice is posted.** Comments will become part of the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

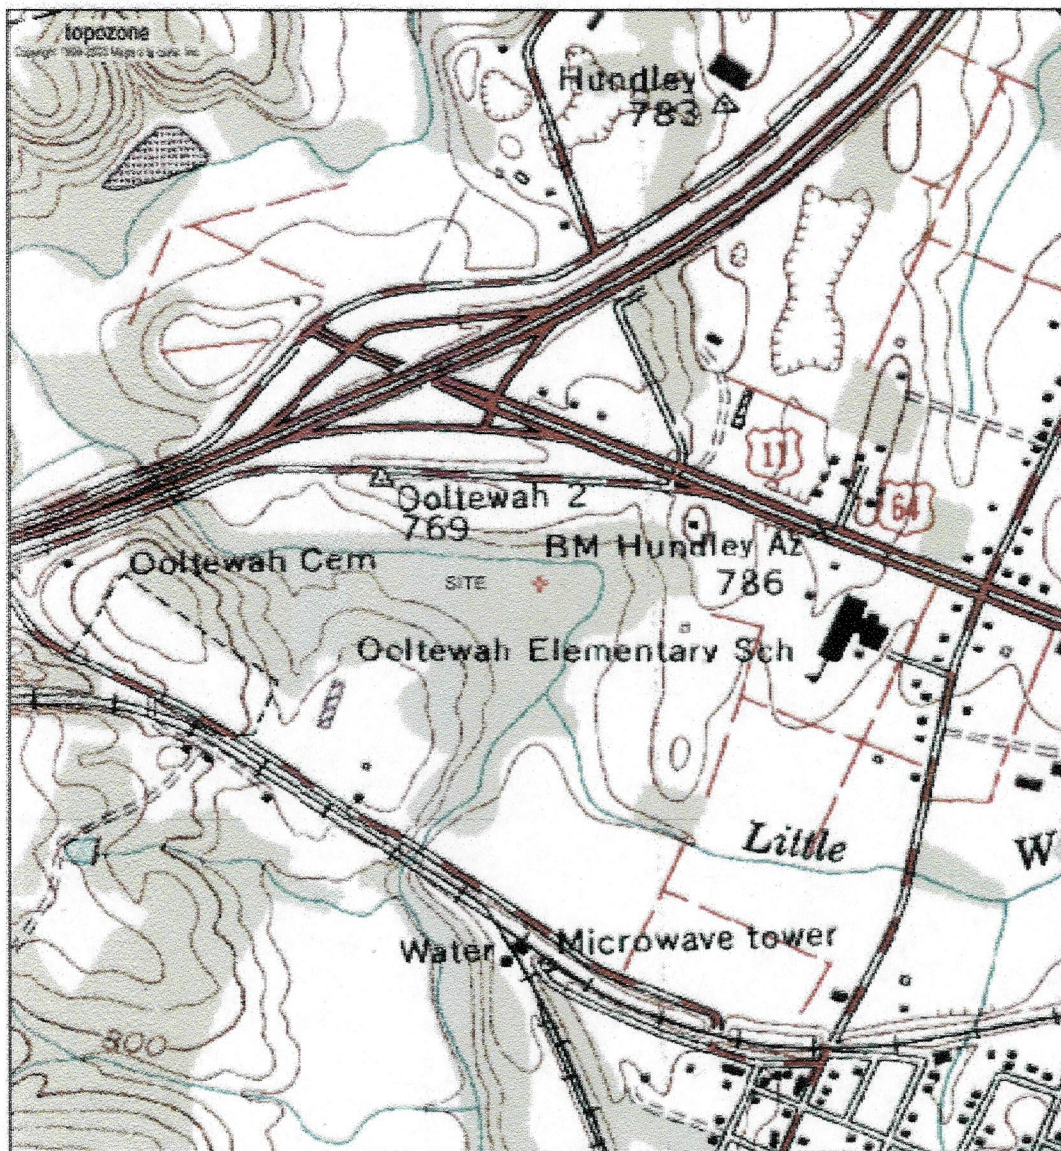

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

Tennessee Department of Environment & Conservation  
Division of Water Pollution Control, Natural Resources Section  
7th Floor L & C Annex  
401 Church Street  
Nashville, TN 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
